Notice Warning Concerning Copyright Restrictions:

The Copyright Law of the United States (Title 17 United States Code) govern the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries are authorized to furnish a photocopy or other reproduction. One of these specific conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study scholarship, or research." If a user makes a request for, or later uses a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The CSRHC reserves the right to refuse to accept a copying order, if, in its judgment, fulfillment of the order would involve violation of copyright law.

Specific Image Request

Each image is \$3.00. For more than 5 images, an additional form and CD is required. There is a \$20 in-state research fee, and a \$30 out of state research fee.

Orders may take up to 4 weeks to complete, depending on the complexity and the volume of the request. No image substitutions will be made without your approval. Your full mailing address is needed for each order. If you do not supply the CSRHC with photo numbers, a research fee will apply. Fees start at \$20 for Oklahoma residents. Use fees are due for photos to be reproduced or exhibited. Failure to complete the forms will delay your order considerably.
